IELTS Preparation Programme 2020

IELTS Preparation

The International English Language Testing System (IELTS) is designed for students who need to demonstrate their English language ability for higher education, immigration, and employment (both in the UK and overseas). Results from IELTS tests are recognised by universities, colleges and professional bodies in the UK, USA, Australia, New Zealand and throughout the world.

IELTS gives you a test report that shows an overall score for your level of English ability from 1 (non-user) to 9 (expert user). The test has four parts – Listening, Reading, Writing and Speaking.

Our IELTS test preparation programme consists of five complementary sessions which combine core language skills with specific test preparation and test practice. The test is held in a centre in Brighton but can be arranged in another city if you prefer.

This programme helps you to:

- Be confident in handling all aspects of the IELTS test
- Be able to express your thoughts and opinions fluently
- Gain an expanded range of vocabulary and expressions
- Be able to use grammar and syntax effectively
- Overcome test anxiety through intensive practice
