The Bucksmore Education Continuum

Our broad range of courses allows students to follow their own unique 'Bucksmore Continuum' that can complement and provide a value-add to their current school curriculum. Designed to develop and challenge students, our programmes offer a high-level of academic content ranging from industry insights to university preparation that students can use to help them progress towards their future education and career goals.

Our Venues

By locating our learning venues within the world-renowned universities of both Oxford and Cambridge, alongside premium UK boarding schools, we provide an inspirational and aspirational context for our world-class programmes.
